**Claims settled on a new for old basis

Introduction

This is **your** travel insurance policy. It contains details of what **we** cover, what **we** don't cover and the conditions each **insured person** needs to meet. **We** will deal with all claims on the basis of this policy.

The policy includes all the areas **we** cover. **Your** policy certificate shows what specific cover **you** have bought. For example, annual multi trip or single trip, or if **you** bought extra covers like winter sports cover. **You** should read all the sections of this policy relating to the covers **you** have bought.

The policy certificate is part of the policy. The certificate will tell **you** what type of policy it is, a summary of the cover, any extras **you** have chosen, the **insurance period** and how much **you** have paid.

This policy is active once **you** have paid **your** premium and **we** will provide insurance in line with the sections of **your** policy as set out in **your** policy certificate.

If you need to make any changes to the details in your policy certificate, you should contact us as soon as possible. We will then tell you if we can make those changes and if you need to pay extra to do so.

About your policy wording

If **you** have any questions about **your** cover, **you** can call **us** on the number listed in the <u>'Important telephone numbers and email</u> <u>addresses' section</u>. Please make sure **you** have **your** policy number when **you** call.

It is important you:

- read **your** policy wording and make sure **you** are covered for the sort of losses or incidents **you** think might happen, or that **you** might want to make a claim for,
- make sure that you understand what your policy does not cover, and
- understand any conditions of your policy because if you do not meet these conditions it may affect any claim you make.

Remember, no policy covers everything. For example we do not cover things such as:

- Pre-existing medical conditions as described in the 'Important conditions relating to health' section (unless you have contacted us and we have accepted in writing).
 - If you do not declare any pre-existing medical conditions we may refuse to deal with your claim or reduce the amount of any relevant claims, even if a claim is not related to a pre-existing medical condition(s) you did not tell us about.
- Any losses that **we have** not specifically listed in the policy.
- Circumstances or an event you are looking to claim for, that you knew about before you bought this policy.
- Any trip that had already started when you bought this policy.
- Any losses which happen outside of a valid trip (except of 'Section 1 Cancelling or cutting short a trip', see the definition of 'insurance period' for full details).
- Your policy only covers people who are permanently resident in the UK and registered with a UK GP.

This policy is designed to cover **your** entire **trip**. The policy will need to cover the date that **your trip** begins until the date **you** return to the **UK** including the dates **you** are travelling.

The things which are not covered by **your** policy are set out:

- in the 'General exclusions applying to your policy' section, and
- under the heading 'What we do not cover' in each section.

If we do not state that something is covered, you should assume that it is not covered.
